

MEMORANDUM

To: Carrie Janto, Deputy Clerk
From: State Bar of Wisconsin Business Law Section
Date: March 14, 2014
Re: Petition 13-10 – Support for PPAC Amendment

The Business Law Section of the State Bar of Wisconsin is pleased to report that the Planning and Policy Advisory Committee (PPAC) of the Wisconsin Supreme Court has worked creatively with us to resolve our concerns about the proposed amendment to Supreme Court Rule Chapter 20 regarding limited scope representation. Our concerns have been resolved to our satisfaction by the addition of an exception for representation provided to an existing client pursuant to an existing lawyer-client relationship in proposed SCR 20:1.2(c)(1)e. Given the addition of that exception, we have no further concerns about the proposed rule.
