Dear Chief Justice and Justices:

At its March 1, 2019, meeting, the Board of Bar Examiners reviewed Rule Petition 18-07, which proposes amendments to SCR Chapter 40. The changes are intended to provide better clarity indicating that an applicant may seek review of a decision regarding a request for testing accommodations under SCR 40.13. The Board was favorably disposed towards the proposal, noting that it brings a welcome appeal process to such requests and an added measure of protection to the BBE. Accordingly, the Board supports the Court's proposal.

Please contact me if I may provide further information or assistance.

Very truly yours,
