- A. This court  does  does not have jurisdiction over the subject matter and the ward.
- B. This court  is  is not a proper venue.
- C. Notice  was  was not properly served.
- D. The ward is  present.  not present and the court accepts the waiver of presence by the guardian ad litem.
- E. The guardian ad litem  did  did not report the allegations in the Petition are true and involuntary administration of psychotropic medication is in the best interests of the ward pursuant to §55.14(5), Wis. Stats.
- F. Additional evaluations are not necessary.

**2. FOR PROTECTIVE SERVICES [when no order for protective services is in place]**

- A. The ward **does not meet the standards** for protective services or need protective services.
- B. The ward needs protective services and **meets the standards** for protective services because:
  - the ward was determined to be incompetent or is a minor alleged to have a developmental disability and a Petition for Guardianship was submitted, and
  - as a result of  a developmental disability;  
 degenerative brain disorder;  
 serious and persistent mental illness;  
 other like incapacities,

the ward will incur a substantial risk of physical harm or deterioration or will present a substantial risk of physical harm to others if protective services are not provided.

**3. FOR INVOLUNTARY ADMINISTRATION OF PSYCHOTROPIC MEDICATION**

By clear and convincing evidence the allegations in the Petition are true:

- A. A physician has prescribed psychotropic medication for the ward.

- B. The ward is not competent to refuse psychotropic medication as such condition is defined by §55.14(1)(b), Wis. Stats.
- C. One of the following is true and supported by the evidence:
  - (1) The ward has refused to take psychotropic medication voluntarily.
  - (2) Attempting to administer psychotropic medication to the ward voluntarily is not feasible or is not in the best interests of the ward.
- D. The ward's condition for which psychotropic medication was prescribed is likely to be improved by administration of psychotropic medication and the ward is likely to respond positively to psychotropic medication.
- E. Unless psychotropic medication is administered involuntarily, the ward will incur a substantial probability of physical harm, impairment, injury, or debilitation or will present a substantial probability of physical harm to others. The substantial probability of physical harm, impairment, injury, or debilitation is evidenced by one of the following:
  - (1) The ward's history of at least 2 (two) episodes, one of which has occurred within the previous 24 months, that indicate a pattern of overt activity, attempts, threats to act, or omissions that resulted from the ward's failure to participate in treatment, including psychotropic medication, and that resulted in a finding of probable cause for commitment under §51.20(7), Wis. Stats., a settlement agreement approved by a court under §51.20(8)(bg), Wis. Stats., or commitment ordered under §51.20(13), Wis. Stats.
  - (2) Evidence that the ward meets one of the dangerousness criteria set forth in §51.20(1)(a)2.a. through e, Wis. Stats.
- F. Psychotropic medication is necessary for treating the condition described in the written statement of the physician.
- G. All other requirements for ordering protective services were met.

4. **PETITIONER'S ATTORNEY FEES AND COSTS.**

It is  equitable  inequitable to award payment of petitioner's reasonable fees and costs from the ward's income and assets.

5. The ward meets the definition of "mental defective" pursuant to 18 USC 922(g)(4) or is committed to a mental institution.
