The Court has determined  not to order  to order additional information, and  
 not to appoint  to appoint adversary counsel.

- All requests for a full due process hearing of this Petition were withdrawn.
- The Court ordered and held a summary hearing.
- The Court ordered and held a full due process hearing.

**THE COURT FINDS:**

The ward continues to **meet the standards** for an Order for Involuntary Administration of Psychotropic Medications found under §55.14(8), Wis. Stats.

- A physician has prescribed psychotropic medication for the ward.
- The ward is not competent to refuse psychotropic medication.
- One of the following is true:
  - The ward has refused to take the psychotropic medication voluntarily, OR
  - Attempting to administer psychotropic medications to the ward voluntarily is not feasible or is not in the best interests of the ward.
- The ward's condition for which psychotropic medication was prescribed is likely to be improved by administration of psychotropic medication and the ward is likely to respond positively to psychotropic medication.
- Unless psychotropic medication is administered involuntarily, the ward will incur a substantial probability of physical harm, impairment, injury, or debilitation or will present a substantial probability of physical harm to others.

**THE COURT ORDERS:**

Continuation of the Order Authorizing Involuntary Administration of Psychotropic Medications and current treatment plan.
