Re: Petition for Rule-Making 10-09

Dear Mr. Rogahn and Ms. Frantz:

This is a follow-up letter to the one I sent on April 28, 2011. Since the 60 days has now passed in which I asked for some response, I will proceed with the other addressees who have agreed to serve on a committee to review my petition.

If you decide that you do wish to be included in future committee deliberations, please feel free to contact me.

Sincerely,

Nick Schweitzer
