## D. STATE AGENCIES/STATE OFFICE BUILDINGS

**Instructional Communications Systems:** ICS at [www.uwex.edu/ics](http://www.uwex.edu/ics) supports a variety of state-of-the-art teleconferencing and communication technologies that assists state and local government officials and staff, university faculty and staff, and many others to reach students, colleagues, and clients throughout Wisconsin and the world. Some of the support function ICS handles are:

- Multi-point connections (i.e. Bridging)
- Connections to another codec that does not use the type of phone or network line you currently use (i.e. gateway)
- Searching for other videoconferencing sites in Wisconsin or the world
- Train the trainers capability for the use of interactive teleconferencing.

The *State of Wisconsin Compressed Video Conferencing Network* encompasses state and UW facilities in the following cities. Several cities have more than one videoconferencing site. For information, contact UW-Extension at (608) 262-3772, or visit: <http://www.uwex.edu/ics/cv>
