You are hereby notified that the Court has entered the following opinion and order:

2013AP2144-CRNM	State of Wisconsin v. Davonte Love (L.C. #2011CF4672)
2013AP2145-CRNM	State of Wisconsin v. Davonte Love (L.C. #2012CF669)

Before Kloppenburg, P.J., Sherman, and Blanchard, JJ.

In response to our orders of December 21, 2015, and January 8, 2016, appellant's counsel now informs us that he believes there is at least one issue with arguable merit, and that he must order transcripts from an earlier dismissed case to evaluate the potential merits of a second issue. Because no trial was held in the earlier case, and in light of the delays that have already occurred in these appeals, we provide a shorter time frame for obtaining the transcripts than counsel proposes.

IT IS ORDERED that the no-merit report is rejected and these appeals are dismissed without prejudice.

IT IS FURTHER ORDERED that appellant's counsel shall order the transcripts from circuit court case No. 2010CF1350 within eleven days of the date of this order.

IT IS FURTHER ORDERED that the court reporter(s) shall file and serve the transcripts within thirty days of ordering. Appellant's counsel shall inform the reporter(s) of this provision. Should the court reporter require, he or she may seek relief from this provision in the usual manner.

IT IS FURTHER ORDERED that the time to file a postconviction motion is extended to forty-five days after the filing of the last of the additional transcripts.
