At the time of this emergency change in placement hearing, a Request to Change Placement (JD-1766/IW-1766) must be filed. A hearing must be held on that request with parties notified at least three (3) days prior; however, the more permanent change in placement can be heard at the same time as the emergency hearing, provided that the parties waive the notice requirement.</p> <p>Since the child was in-home and then removed and placed in an out-of-home placement, a Request for Revision (JD-1766) may be filed to order Conditions for Return for the parents.</p> <p>Pursuant to the Indian Child Welfare Act (ICWA), any emergency removal or placement must be terminated immediately when it is no longer necessary to prevent imminent physical damage or harm to the child. In order to facilitate an emergency removal or placement, the court must promptly hold a hearing and make a finding on the record that emergency placement/removal is necessary to prevent imminent physical damage or harm to the child. That finding is provided on this form for those situations in which ICWA applies.</p>
