Before Kloppenburg, J.<sup>1</sup>

**Summary disposition orders may not be cited in any court of this state as precedent or authority, except for the limited purposes specified in WIS. STAT. RULE 809.23(3).**

Perry Arthur Reeve appeals judgments of conviction entered in three Green County criminal cases that were resolved together in the circuit court. Reeve's appellate counsel has filed a no-merit report pursuant to WIS. STAT. RULE 809.32 and *Anders v. California*, 386 U.S. 738 (1967). Reeve received a copy of the report, was advised of his right to file a response, and has not responded. Upon consideration of the report and an independent review of the records, I

conclude that the judgments may be summarily affirmed because there is no arguable merit to any issue that could be raised on appeal. *See* WIS. STAT. RULE 809.21.

Reeve pled guilty in Green County Circuit Court Case No. 2022CM145 to disorderly conduct with use of a dangerous weapon, as an act of domestic abuse, and the parties stipulated to enter a deferred prosecution agreement (DPA). In March 2023, the State moved to revoke the DPA due to noncompliance and filed new criminal charges against Reeve in Case No. 2023CM36. In April 2023, the State filed additional criminal charges against Reeve in a third case, Case No. 2023CF76.

At a status conference, the parties' attorneys informed the circuit court that they had reached a global plea agreement to resolve all three cases. Pursuant to the terms of the agreement, Reeve withdrew his objection to the State's motion to vacate the DPA and agreed to proceed to sentencing in Case No. 2022CM145. Also under the terms of the global plea agreement, Reeve pled no contest to the following misdemeanors: possession of cocaine as a party to a crime and bail jumping in Case No. 2023CM36, and disorderly conduct in Case No. 2023CF76. The court followed the parties' joint sentencing recommendation and imposed 24 months of probation on all counts, to run concurrently.

The no-merit report addresses whether there was a factual basis for Reeve's pleas; whether Reeve entered the pleas knowingly, intelligently, and voluntarily; whether the circuit court erroneously exercised its sentencing discretion; and whether there would be arguable merit to any other issue on appeal. This court is satisfied that the no-merit report properly analyzes the issues it raises as without arguable merit, and this court will not discuss them further.

This court's independent review of the appellate records discloses no other potential issues of arguable merit. Accordingly, this court accepts the no-merit report, affirms the convictions, and discharges appellate counsel of the obligation to represent Reeve further in these matters.

Upon the foregoing reasons,

IT IS ORDERED that the judgments of conviction are summarily affirmed. *See* WIS. STAT. RULE 809.21.

IT IS FURTHER ORDERED that Attorney Nancy Dominski is relieved from further representing Perry Arthur Reeve in these matters. *See* WIS. STAT. RULE 809.32(3).

IT IS FURTHER ORDERED that this summary disposition order will not be published.
