The court issued a child abuse injunction on [Date] _____, expiring on [Date] _____ against the respondent. The injunction was in effect for [Total length of time] _____.

THE COURT FINDS:

The petitioner requested the court extend the injunction

- 1. because the injunction was in effect for less than six months and it is necessary to protect the child victim. When an injunction in effect for less than six months expires, court shall extend the injunction if the petitioner states an extension is necessary to protect the child victim. This extension shall remain in effect until 6 months after date on which court first entered injunction, or until child attains 18 years of age, whichever occurs first.
- 2. because it is necessary to protect the child victim. When the petitioner states an injunction is necessary to protect child victim, the court may extend an injunction for not more than 2 years or until child attains 18 years of age, whichever occurs first.
- 3. and order the injunction be in effect for not more than 5 years. The court finds by a preponderance of the evidence that substantial risk exists that the respondent may commit 1st degree intentional homicide under §940.01, Wis. Stats., 2nd degree intentional homicide under §940.05, Wis. Stats., 1st, 2nd, or 3rd degree sexual assault under §§940.225(1), (2) or (3), Wis. Stats., or 1st or 2nd degree sexual assault under §§948.02(1) or (2), Wis. Stats., against the child victim.

THE COURT ORDERS:

1. The injunction is extended until [Date] _____.
2. The original terms of the injunction remain in full force and effect.
