

FORM SUMMARY

Name of Form: Waiver of Immediate Notice (Parental Consent/Abortion Waivers)

Form Number: JC-1622

Statutory Reference: §48.273(4)(b), Wisconsin Statutes

Benchbook Reference: JV 15

Purpose of Form: The law requires that a pregnant juvenile who has either filed a petition, or for whom a petition has been filed by a clergy person, is required to receive **immediate** notice of all court proceedings. However, she can waive her right to immediate notice. In this case, she would receive 24 hours notice of future hearings.

As far as the court is concerned, because of the stringent time requirements in holding hearings and issuing decisions, immediate notice is preferable to a waiver of immediate notice. If a juvenile waives immediate notice, and thus becomes entitled to 24 hours notice, there is no corresponding increase in the time allowed the court to either hold the hearings or issue a decision.

Who Completes It: The pregnant juvenile completes the form.

Distribution of Form: Court, Minor and Minor's Guardian ad Litem/Attorney.

Accompanying Forms: This form would most likely accompany the "Petition to Waive Parental Consent for an Abortion," (JC-1620), although it could theoretically be filed later.

New Form/Modification: Modified; last update 11/19.

Modifications: Added distribution list.

Comments: Copies would be provided to the juvenile and, if a clergy person filed the petition, to the clergy person.

About this Form: This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court's Office and a mandate of the Wisconsin Judicial Conference.

If you have additional information that does not change the meaning of the form, attach it on a separate page. The form itself shall not be altered.
