

FORM SUMMARY

Name of Form: Order for Final Hearing/Dismissal

Form Number: ME-910

Statutory Reference: §§51.20(7), (8), and (9), Wisconsin Statutes

Benchbook Reference: MH 1-16

Purpose of Form: This document either dismisses the matter or, if probable cause is found, binds the case over for final hearing, authorizes further detention or conditional release, and appoints examiners. Also orders involuntary medication or treatment, pending trial, if probable cause is found under fifth standard of dangerousness.

Who Completes It: Corporation counsel or the court.

Who Signs It: **BY THE COURT:** Circuit Court Judge/Circuit Court Commissioner.
THIS IS A FINAL ORDER FOR THE PURPOSE OF APPEAL IF SIGNED BY A CIRCUIT COURT JUDGE.

Distribution of Form: Court; copies to subject, counsel, examiners, treatment provider and detention facility (if different)

Accompanying Forms: An order for involuntary medication and treatment form (ME-905) may be attached, but is not needed if probable cause is found under the fifth standard of dangerousness.

New Form/Modification: Modified; last update 05/23.

Modifications: Added a reference to form ME-905 in #3 of findings.

Comments: If the subject had initially accepted treatment as a condition of release pending the final hearing, but later fails to comply with the conditions, the subject may then be detained. The final hearing must be held within 14 days of the date of that detention, but not later than 30 days from the date of the probable cause hearing. If the original date scheduled fits within these parameters, no new notice would be required. If the final hearing must be moved up to accommodate these limitations, then a new hearing must be scheduled with notice sent to all who received the original notice.

About this Form: This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court's Office and a mandate of the Wisconsin Judicial Conference.
