CLERK OF COURTS
WASHBURN COUNTY, WI

WASHBURN COUNTY CIRCUIT COURT
ORDER REGARDING EMERGENCY TEMPORARY MEASURES

The Washburn County Circuit Court is issuing the attached guidelines to provide procedures and directions for proceedings and essential functions in the Courts during the next several weeks. **These Guidelines are Emergency and Temporary Measures “only” effective from March 17 through April 10, 2020, or upon further Order of the Court.** The Washburn County Government Center remains open and any change in status will be noticed on the Washburn County Circuit Court website <https://www.co.washburn.wi.us/departments/clerk-of-circuit-court> and the Wisconsin Court system website (<https://www.wicourts.gov>).

The World Health Organization declared a global pandemic of COVID-19 due to widespread human infection worldwide. On March 13, Governor Tony Evers declared a public health emergency in Wisconsin. Washburn County is monitoring this situation and is committed to open access to our courts and service to the public, and to protecting the health and safety of litigants, judges, court staff, court security, attorneys, jurors, other participants in court proceedings, and all other persons in court facilities.

These guidelines are intended to ensure the continuous performance of the Court's essential functions and operations and at the same time seek to mitigate the risk that our employees, attorneys, litigants, and jurors will be exposed to COVID-19. The guidelines incorporate the use of videoconferencing, teleconferencing, and alternative means of communication to minimize contact, when appropriate; follow social distancing practices; and temporarily suspend some non-essential court functions.

Cases will proceed as currently scheduled unless otherwise provided for in this Order or notified by the Court. Please note that injunction hearings, in-custody criminal intake / preliminary hearings / motion hearings, mental commitments, juvenile detention, CHIPs temporary physical custody, and termination of parental rights cases should be presumed to be proceeding as originally scheduled UNLESS the parties have specifically been informed by the Court.

For information on any specific case, please call the Circuit Court Branch office.

TEMPORARY AND EMERGENCY GUIDELINES FOR PROCEEDINGS FOR CRIMINAL CASES

The Governor's Executive Order #72 declaring a public health emergency in Wisconsin constitutes good cause for all proceedings involving **out-of-custody defendants** to be rescheduled until after April 10, 2020, or held by telephone / video conferencing / or alternative means of communication. Individual branches will be contacting case parties if proceedings will be rescheduled or handled by telephone / video conferencing / or alternative means of communication. **If not rescheduled or advised of an alternative appearance mode, parties are REQUIRED to appear in person for their proceedings as scheduled.**

Each judge has discretion to deviate from these guidelines as deemed appropriate and any party may request a hearing to determine the mode and schedule for any proceeding. These guidelines apply to all out-of-custody criminal proceedings, including:

- Initial appearances
- Preliminary hearings / pretrial conferences
- Arraignments
- Final pretrial conferences
- Bail/bond hearings
- Motions or other hearings
- Plea hearings
- Status conferences
- Trials
- Sentencing hearings
- Restitution hearings

Proceedings involving **in-custody defendants** will presumptively proceed as timely scheduled. However, each judge has discretion to deviate from this guideline as deemed appropriate and any party may request a hearing for a ruling on the case schedule. Unless mandated by statute or case law, said proceedings will be conducted by video conferencing.
