## Wildlife Violator Compact

### Release of non-residents who commit wildlife-related violations:

Non-residents arrested for a wildlife related violation may be released without a cash bond if all the following criteria are met:

If a person fails to pay or appear in court, the DNR is required to revoke all their hunting, fishing, and trapping approvals and shall not issue any new approvals to this person until they have resolved the matter by an appearance in court or payment of the penalty required.

**All fifty states, with the exceptions of Hawaii and Massachusetts, are members of the Wildlife Violator Compact.**

(b) or (bg).
- (b) Except as provided in par. (bg), the amount of the commercial fish protection surcharge shall be as follows:
  - 1. For any commercial fish, as determined by the department, an amount equal to the average wholesale value of the fish on the date of the violation. The department shall determine the average wholesale value of the fish by determining the wholesale value of such fish purchased by 3 different wholesale fish dealers in this state on or about the date of the violation.
  - 2. For salmon, trout, and noncommercial game fish, an amount equal to the amount specified in s. 29.983 (1) (b) 9. to 12.
- (bg) For a fine imposed under s. 29.971 (1) (b) or (c), the amount of the commercial fish protection surcharge shall be an amount equal to 3 times the average wholesale value of the fish. The department shall determine the average wholesale value of the fish by averaging the price received by 3 different wholesale fish dealers in this state for that species of fish on or about date of violation.

### **To calculate the value of fish for charging purposes and for determining amount of any required Commercial Fish Protection Surcharge:**

- 1. Salmon, trout, and noncommercial game fish shall be valued on a per-fish basis according to the dollar amounts specified under s. 29.977 (1) (a) and (i) to (L).
  - 2. Other species of commercial fish shall be valued on a per-pound basis according to the "average wholesale value" of the fish. The department shall determine the average wholesale value of the fish by averaging the price received by 3 different wholesale fish dealers in this state for that species of fish on or about the date of the violation.
  - 3. "Average wholesale value" means the average purchase price paid by wholesale fish dealers on the date of a violation of this chapter as determined by the department after obtaining price information from 3 wholesale fish dealers in this state.
  - 4. For purposes of making charging and penalty determinations, the value of fish from multiple violations committed by the same person in any 12-month period may be aggregated.
-
