Re: OLR v. Jacobson
Case No. 2024AP2285-D

Dear Mr. Laitsch and Mr. Jacobson:

I have received OLR's Motion for Summary Judgment, covering a portion of the allegations in the Complaint. Mr. Jacobson, please file your response no later than Friday, September 19. Mr. Laitsch, please file any reply by Friday, October 3. Should either of you desire a hearing on the motion to present oral argument please advise. Otherwise I will decide the motion based on written submissions.

Because of the complexity of the motion it will not be possible to proceed to hearing on October 22. Instead, we will hold a scheduling conference by telephone on October 22 at 10:30 a.m. I would appreciate it if Mr. Laitsch would handle the arrangements for the call.

Sincerely yours,

David A. Piehler
