You are hereby notified that the Judicial Conduct Panel has entered the following order:

---

Before Stark, Presiding Judge, Judicial Conduct Panel.

On September 19, 2025, the parties filed a joint status report and joint stipulation in this judicial discipline matter. The parties have now stipulated to the factual allegations and conclusions of law as pleaded in the complaint, and they jointly assert “that a reprimand would be an appropriate sanction in this matter.” Further, the parties acknowledge that in some judicial discipline cases, judicial conduct panels have concluded they would be assisted by briefs from the parties on the issue of discipline. The parties suggest that if such briefing is required here, they could discuss the briefing schedule at the October 10, 2025 scheduling conference.

The Panel agrees that it would benefit from briefing on discipline. The briefing schedule and related matters will be addressed at the October 10, 2025 scheduling conference.

The scheduling conference will be held via videoconference on October 10, 2025, at 9:00 a.m. The parties will be provided with videoconference connection information by separate communication.

Therefore,

IT IS ORDERED that the parties will provide briefing on discipline, with deadlines to be determined at the October 10, 2025 scheduling conference.
