The Court, by its Clerk and Commissioners, has entered the following order:

On October 15, 2025, counsel for the Portage County Health and Human Services Department filed a letter with this court requesting “that the Portage County Health and Human Services Department correctly be listed as a party [regarding] each of the[ ] petitions for review” associated with the above-referenced cases. The court notes that the Portage County Health and Human Services Department is the petitioner in the underlying CHIPS (child in need of protective services) proceedings.
