Electronic Notice

You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

---

No. 2025AP1808-W      White v. Circuit Court for Racine County, L.C. #2025CF111

On November 17, 2025, pro se petitioner, Henry Lee White, filed a motion in this supervisory writ proceeding requesting “temporary suspension, by the Supreme Court, of the above referenced circuit court case[ ],” pursuant to Wis. Stat. § 757.95.

The court notes that it entered an order dismissing this proceeding on November 10, 2025, because Mr. White failed to pay the required filing fee and did not submit a petition for waiver of fees, as previously ordered. Additionally, Wis. Stat. § 757.95 provides that this court “may, following the filing of a formal complaint or a petition by the [judicial] commission, prohibit a judge or circuit or supplemental court commissioner from exercising the powers of a judge or circuit or supplemental court commissioner pending final determination of the proceedings.” As this court has not received any formal complaint or petition by the judicial commission involving the judge assigned to Mr. White’s underlying criminal case, there is no basis for the relief he seeks. Therefore,

IT IS ORDERED that the motion is dismissed.
