Electronic Notice

You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2023AP1300-CR State v. McMath, L.C. #2015CF4511

On November 25, 2025, recently retained counsel for Robert C. McMath filed a motion to extend the time to file an amended petition for review. By order dated November 26, 2025, this court granted the motion, in part, and ordered that the amended petition for review was required to be filed on or before December 22, 2025. On December 3, 2025, McMath personally submitted an amended petition for review that was accepted for filing. On December 4, 2025, counsel for McMath filed a letter with the court requesting that the pro se amended petition for review filed by McMath on December 3, 2025 be withdrawn. Counsel explains that McMath submitted the pro se amended petition for review without knowledge of counsel while he was in restrictive custody at his institution and without being aware of the extension granted by this court due to his inability to receive communications.

IT IS ORDERED that the court will take no action on the pro se amended petition for review filed by Robert C. McMath on December 3, 2025;

IT IS FURTHER ORDERED that the deadline for counsel to submit an amended petition for review on behalf of Robert C. McMath remains December 22, 2025 and, once filed, said document will become the operative pleading in this matter; and
