Electronic Notice

Racine, WI 53403

You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

---

No. 2025AP1809-W

White v. Circuit Court for Racine County, L.C. #2025CF230

On November 10, 2025, this court issued an order dismissing Henry Lee White's pro se petition for a supervisory writ because he failed to pay the statutory \$195.00 filing fee or submit a completed petition for waiver of fees. On November 19, 2025, this court denied what it construed to be a motion to reconsider the November 10, 2025 dismissal order.

The court now has before it a document filed by Mr. White on January 23, 2026, requesting to "re-open" his supervisory writ proceeding. The court construes this document as a second motion to reconsider its November 10, 2025 dismissal order. Mr. White has also submitted a completed petition for waiver of fees.

IT IS ORDERED that the motion for reconsideration is denied. There is nothing in the motion to persuade the court that reconsideration is necessary. This matter is closed. The clerk of this court is directed to place all future correspondence in the closed file without a response.
