Re: **State v. Larry A. Tiepleman,**  
**Case No. 2004AP914-CR**

CLERK OF COURT OF APPEALS  
OF WISCONSIN

Dear Ms. Clark:

Plaintiff-respondent State of Wisconsin has received the petition for review filed by defendant-appellant-petitioner Larry A. Tiepleman. Because the petition does not, in the State's view, present any reasons satisfying the standards enunciated in Wis. Stat. § (Rule) 809.62 for granting review, the State opposes the petition. The State, however, will not file a formal written response unless the court orders one.

Sincerely,

PEGGY A. LAUTENSCHLAGER  
Attorney General
