Licensee Yi Tai Linda Shao ["Shao"] has been practicing law outside of the State of Wisconsin and has never been resided in the State of Wisconsin since admission to the Wisconsin bar on September 13, 1989. 20 years later, her license was suspended due to inadvertent failure to pay bar dues and reinstated in or about January 2017. There were many communications between the Board of Bar Examiners and Shao that were made via emails.

25
26
27
28

For unknown reason, *without any fault of Shao*, the State Bar record was inconsistent with the profile of Shao, in that the suite number of 100 for the large complex commercial building of 4900 Hopyard Road, Pleasanton, California, was omitted from being shown on the record for the public. Therefore, in 2019 and 2020, SHAO did not receive notices by mail including bar dues.

In early July 2020, Shao surprisingly received a Notice of Suspension of her Wisconsin bar license dated June 16, 2020 (Exhibit F, Page 7 of 10) despite SHAO had timely paid the bar dues. SHAO paid the bar dues because the Wisconsin State Bar notified her through email. Yet, there was not a single email from the BBE before suspension. There was a record from the BBE that its notice of MCLE report filing due date dated October 3, 2019 was returned to the BBE office on October 17, 2019.(Exhibit F, pp.1-2) Ms. Tammy McMillen had email contacts with Shao just about 2 months prior (Exhibit D, emails on August 9, 2019 regarding lack of any notice on bar due payment invoice), however, the BBE did not attempt to contact Shao via email under the circumstances.

If the BBE had informed Shao their notice via email, SHAO would have timely reported the MCLE and there would have been no suspension.

Shao is very serious on her bar license as she has been working on admission by motion to other states and applied for a Certificate of Good Standing from the Wisconsin Supreme Court who issued the Certificate on 2/12/2020. (Exhibit G) There

1 was a letter issued along with the Certificate, yet Shao tentatively unable to locate it. The
2 letter from Wisconsin Supreme Court stated the history of Shao's bar license but did not
3 mention any issue of passing due of MCLE reporting. Shao had no constructive notice
4 that her license would be suspended.

5 The fact that the BBE could have easily notify Shao via her email address of
6 attorneyshao@aol.com may be proven by (1) Before suspension, Ms. McMillen
7 contacted Shao via attorneyshao@aol.com on August 9, 2019 (Exhibit D) when was
8 about two months prior to the BBE's notices of MCLE due date. (2) on August 1, 2020
9 when Ms. McMillen was asked by Ms. Rothstein to send me all notices at issue, she
10 could immediately switch our contacting email from attorneyshao@outlook.com
11 (Exhibit E) to attorneyshao@aol.com. (Exhibit F, cover page of email)

12 SHAO is one of the virtual tenants of Regus who operated on Suite 100 of 4900
13 Hopyard Road in Pleasanton, California. Regus mailed to Shao weekly on the mails it
14 received. The suite 100 is located on the ground floor of part side of the huge office
15 building complex of 4900 Hopyard Road in Pleasanton, California. Its sizable mansion
16 can be easily seen on the internet. When there were no mails received from Wisconsin
17 regarding her bar license in 2019 and 2020, somehow maybe the mailman recalled my
18 name being for Suite 100 so that, in God's hands, Regus received the mail for notice of
19 suspension despite the address was wrong. Shao immediately contacted Ms. McMillen
20 inquiring if the suspension was in error. See Exhibit E, Shao's email of July 10, 2020
21 9:37 p.m. to BBE@WICOURTS.GOV ("I just received your mail of notice of
22 suspension. This must be a mistake ...(omitted) Further such surprising suspension
23 without any hearing nor any prior notice is for sure in violation of Due Process...") As
24 mentioned above, these emails were made through Shao's another new email of
25 attorneyshao@outlook.com and Ms. Tammy McMillen later switched contact to
26 attorneyshao@aol.com as shown in Exhibit F, the cover email of August 1, 2020. This
27 proves that Ms. McMillen could have easily contacted me via the email of
28 attorneyshao@aol.com.

1 The BBE did have the record of mail return for wrong address (Exh.F, p.2). SHAO
2 has also provided to BBE an email from Regus's Community Manager that the person
3 signed on Certified mail receipt for "4900 Hopyard Road, Pleasanton, California 94588"
4 is not an employee of that office (See Exhibit H, p.8 (last page)). Despite many efforts
5 to meet or confer with the BBE, only until August 10, 2020 then the BBE raised the
6 issue that this was "the last known address shown on the State Bar" then both parties
7 discovered that all of BBE's notices in 2019-20 to SHAO contained a wrong address.
8 Without Shao's fault, State Bar of Wisconsin failed to publish the suite number.
9 Therefore, all written notices of the BBE were either returned or not received by SHAO,
10 except the Notice of Suspension. SHAO did not receive notice of MCLE compliance,
11 did not receive Notice of Non-compliance. The BBE eventually found out the error
12 being of the State Bar and had directed the State Bar to make correction on August 11,
13 2020. (Exhibit H, p.2)

14 Nevertheless, despite the undisputed fact of lack of notice for MCLE non-
15 compliance, the BBE persisted on maintaining suspension and required Shao to file a
16 Petition for Reinstatement plus \$200. The BBE, however, would submit to the Board of
17 Trustees for determination on Shao's motion to vacate suspension based on violation of
18 due process guaranteed by the Fourteenth Amendment of the US Constitution. (Exhibit
19 I, p.1, email of Ms. McMillen)

20 In February 2020, SHAO applied admission to New York Bar by using
21 Wisconsin's license and received from this Court a Certificate of Good Standing. There
22 was never a mentioning that the license may be threatened with a suspension. Shao will
23 suffer substantial prejudice if there were a suspension record of this bar license as this
24 notice of suspension will adversely impact and cancel all efforts of Shao in paying
25 money applying for the bar admission to reciprocal states of Wisconsin. Due to Covid-
26 19, the New York Court of Appeal delayed its approval process and approved Shao's
27 initial qualification, awaiting for additional application materials. This notice of
28

1 suspension, without Shao's fault, will also foreclose Shao's application for admission on
2 motion to other States' bar which is planned to take place by end of this year.

3 As stated above, if the BBE had contacted Shao when its mail notice was returned
4 for wrong address on 10/13/2019, there would not have been a suspension.

5 The BBE required this motion to be filed in order to let its Board of Trustee to
6 decide, despite of undisputed fact that the suspension was made without notice, actual or
7 constructive. The BBE's ground of persistence on maintaining suspension was that they
8 could not do anything after suspension of a bar license, even if that was made in error.
9 This does not conform to the Due Process and the prevailing laws. In contrast, the BBE
10 has actual notice and constructive notice that SHAO never practiced law in Wisconsin
11 since admission to Supreme Court in September 1989 and Shao's affidavit that she "will
12 remain practice outside of the State of Wisconsin (Exhibit A, Letter of 1/20/2015, the
13 last sentence above signature). SHAO respectfully prays relief from the Supreme Court.

14 **II. STATEMENT OF RELEVANT FACTS**

15
16 Because of divorce, after paying bar dues for 20 years, Shao inadvertently missed
17 paying bar dues and was suspended her license in 2009. In the 20 years before
18 suspension, Shao recalled that she never needed to go to the website of the Board of Bar
19 Examiner to report MCLE exemption but simply signed some preprinted paper by the
20 government to verify that she did not practice law in Wisconsin, which was
21 accompanying the invoices for the bar dues. SHAO is not a computer person.

22 In 2014, SHAO petitioned for reinstatement of her license, which took almost three
23 years in processing. In January 2015, SHAO requested waiver of MCLE compliance;
24 SHAO asked "waiver" based on SCR 31.40 which was a confusion with "exemption".
25 See a copy of the Request in **Exhibit A**. The BBE was made known that since 1989
26 SHAO has never resided nor practiced law inside Wisconsin and would not in the future
27 (Exhibit A, letter, last sentence (the 6th page of the exhibit)), either. At that time, SHAO
28 was a student enrolled in the LL.M. program of Washington University, St. Louis. On

1 March 7 2016, this Court ordered SHAO to communicate with the BBE to use her
2 LL.M. courses to substitute for MCLE courses. See in **Exhibit B** for a copy of
3 November 14, 2016's Order.

4 In 2018, SHAO received a notice to report the MCLE on a website. SHAO did
5 so, but inadvertently clicked a wrong button of "waiver" when she should have clicked
6 "exemption." SHAO tried to make correction and contacted the BBE's CLE Records
7 Manager, Tammy McMillen Ms. McMillen contacted Shao via the email of
8 attorneyshao@aol.com on April 5, 2018. Yet, she required extra payment of a late fee
9 of \$100 plus a letter to "amend" Shao's 2016-17 CLE report despite it was timely
10 reported in the beginning. See **Exhibit C** for the emails on April 5, 2018 through April
11 11, 2018 which were communicated through Shao's email of attorneyshao@aol.com.

12 For unknown reason, *without SHAO's fault*, Wisconsin Bar record for the public's
13 view did not show the correct address by omitting the suite number, which is different
14 from what had been recorded in SHAO's Profile. As a result, SHAO did not receive any
15 mail notice regarding her Wisconsin bar license in 2019 nor 2020, except for the Notice
16 of Suspension. Therefore, on August 6, 2019, she sent an email to Ms. Tammy
17 McMillen at the BBE to inquire about the invoice for state bar dues. See **Exhibit D**
18 Ms. McMillen directed her to contact the State Bar of Wisconsin.

19 According to the records produced by Tammy recently (**Exhibit F**), the mail for
20 MCLE compliance due date was mailed out on 10/3/2019 and returned on 10/17/2019,
21 which was about 2 months following the email contact as shown in Exhibit D, yet Ms.
22 McMillen did not email me when mail did not work. As mentioned above in
23 INTRODUCTION, Ms. McMillen was able to immediately locate the email of
24 attorneyshao@aol.com upon direction by her boss, Ms. Rothstein, to send me all proofs
25 of notices on August 1, 2020, when before August 1, 2020, I had contacted her by
26 another email of attorneyshao@outlook.com (**Exhibit E**).

27 In 2020, SHAO received many **emails** from State Bar of Wisconsin to remind
28 payment of bar dues. Yet there was no email notices from the BBE. SHAO in fact

1 confused the relationship of State Bar of Wisconsin and BBE as in California where
2 SHAO has been actively practicing law, In California, the BBE is under State Bar of
3 California.

4 In early July 2020, SHAO suddenly received a notice to suspend her bar license
5 from June 16, 2020. On July 10, 2020, SHAO sent an email inquiry if the suspension
6 was made in error. On July 13, 2020, SHAO affirmed no notice and telephoned
7 telephoned Ms. Tammy McMillen. See emails in **EXHIBIT E**

8 SHAO contacted the Head of the Board of Bar Examiner Ms. Rothstein. Ms.
9 McMillen then sent SHAO proof of mailing of notices on August 1, 2020. See the
10 BBE's records in **Exhibit F**. SHAO provided proof to them that Regus located at 4900
11 Hopyard Road, Ste. 100; Pleasanton, CA 94588, the business providing virtual offices
12 and small executive offices, did not receive the certified mail shown signed in April
13 2020. According to Regus located on 4900 Hopyard Road, Ste. 100, there is no
14 employee with the name of "Cindy Lozane" in their office. It was discovered that the
15 mailing addresses of SHAO on the envelopes were all wrong in that the suite number for
16 this large complex office building was missing.

17 SHAO actually recorded in her profile for the address being 4900 Hopyard Road,
18 Ste. 100; Pleasanton, CA 94588 in her State Bar profile but the State Bar omitted from
19 posting the suite number to the public page for unknown reason. With many efforts to
20 meet or confer, Ms. McMillen directed the State Bar to correct the mistake on August
21 11, 2020. On August 19, 2020, Ms. McMillen responded that the BBE will present to
22 its Board of Trustee about Shao's motion, in response to Shao's email asking her "Dear
23 Tammy, in response to my confirmation of the undisputed facts that the mailing
24 addresses for the notices from the BBE were wrong. See in **Exhibit I** for a true copy of
25 emails August 11 through 19, 2020.

1 **III. LAW AND ARGUMENT**

2 **A. Due Process as guaranteed to be applied to the States through the**
3 **Fourteenth Amendment of the US Constitution requires the bar license**
4 **suspension be set aside.**

5 The court of appeals has held that: "Judgments entered contrary to due process are
6 void." *Wengerd v. Rinehart*, 114 Wis. 2d 575, 587, 338 N.W.2d 861, 868 (Ct. App.
7 1983), citing *United States v. McDonald*, 86 F.R.D. 204, 208 (N.D. Ill. 1980), and
8 *DeCesare-Engler Productions, Inc. v. Mainman Ltd.*, 81 F.R.D. 703, 704 (W.D. Pa.
9 1979).

10
11 It has long been established that a state may not suspend a professional license without a
12 pre-deprivation hearing. See, e.g., *Guillemard-Ginorio v. Contreras-Gomez*, 490 F.3d
13 31, 40 (1st Cir. 2007). In *Jordan v. Silverman*, 294 F.2d 916, 918 (D.C. Cir. 1961), the
14 Court held that "It is fundamental that an insurance agent's license, once issued and
15 acted upon, may not be suspended or revoked without procedural and substantive due
16 process of law." See, also, *Bell v. Burson*, 402 U.S. 535, 539, 91 S.Ct. 1586, 29 L.Ed.2d
17 90 (1971) ("Suspension of issued licenses thus involves state action that adjudicates
18 important interests of the licensees. In such cases the licenses are not to be taken away
19 without that procedural due process required by the Fourteenth Amendment.")

20 Now the issue is whether the suspension should be vacated as the statutory
21 requirement of giving Notice of Non-compliance did not meet? It is undisputed that the
22 Due Process requirement of notice was not satisfied and SCR 31's notice for non-
23 compliance was not met. Therefore, the order of suspension should be void and void
24 order should be set aside.

25 The BBE's theory that it could not do anything once suspension was done is not
26 supported by any legal authority but only violated the Due Process. The BBE may
27 easily resolve this issue if it had sent an email to SHAO on October 17, 2019 when they
28 received the mail of MCLE notice was returned to them. Yet they failed to do so. They

1 should be able to do so as Ms. McMillen was able to send an email to Shao on August 9,
2 2019, less than 2 months prior to their issuing notice regarding MCLE compliance due
3 date. Moreover, Ms. McMillen was able to find the email of attorneyshao@aol.com and
4 switch to this email in contacting me immediately upon her being asked by Ms.
5 Rothstein to send to me all proofs of mailing as shown in Exhibit F.

6 Since 2015, BBE was appraised of the fact that SHAO had been and will continue
7 being out of state as shown in Exhibits A and B attached hereto.

8
9 **B. SHAO SHOULD BE GIVEN WAIVER OR EXTENSION OF TIME TO**
10 **COMPLY WITH THE MCLE REPORTING UNDER SCR 31.12**

11 SCR 31.12 Extensions and waivers. (1) The board may extend time deadlines for
12 completion of attendance and reporting requirements in cases of hardship or for other
13 compelling reasons. (2) The board may waive attendance and reporting requirements
14 where to do otherwise would work an injustice.

15 This case when notices were not given for reasons not attributable to SHAO,
16 should constitute compelling reason that either SHAO may be waived of the reporting
17 requirement or given an extension after the suspension is vacated to make the report on
18 line.

19 I swear under the penalty of perjury under the laws of the State of Wisconsin that the
20 foregoing is true and correct to the best of my knowledge.

**Re: Request for Waiver of CLE report requirement for reinstatement petition of
Linda Yi-Tai Shao 1014147**

Dear Director

I just got a time to handle the bar restatement matter. It was because my Dad passed away on August 12, 2014 and I have been busily involved with my study toward LLM program as well as legal work. This is in response of Wisconsin Supreme Court's Order of December 30, 2014 about the last hurdle of CLE requirements.

In addition to other documentary evidence I provided to you in the past, attached please find a recent transcript for my LLM study at Washington University in St. Lewis.

Will you consider waiving me from the 60 CLE hours in person class based on the following reasons in accordance with CLE 11.04, SCR 31.04 and SCR 31.12(2):

1. I have been successful in good grade at the LLM program since January 2014, including the fundamental courses for a bar exam of a state. As the majority Wisconsin attorneys obtained their bar admissions by being a

graduate from a law school in the State of Wisconsin, my outstanding transcript should be a good consideration for my qualification in place of the CLE reporting requirement.

2. CLE reporting requirement is waived for all Wisconsin attorneys who practice laws outside of the State of Wisconsin.
3. But for the inadvertent interruption of paying dues after paying the bar dues to Wisconsin State for 20 years, I would not have had to confront with this CLE hurdle ever.
4. I have been in good standing as an active attorney in California since 1996 totally 18 years and there is no concern that I could be incompetent to harm the public in legal practice. As a matter of fact, I obtained the highest vote in the US of more than 8000 votes, by the Chinese American community in 2009. The attorney who was ranked next to me received only 4000+ votes. I was put on a Chinese magazine cover for outstanding service as a criminal defense attorney. I have very good reputation in the Chinese American community and have been officially appointed as the Honorable Legal Counsel for Taipei Economic and Cultural Office since July 2009. There is no concern that I could have below standard of legal education or knowledge or practice that may hurt the consumers, a policy reason for reporting the CLE.
5. I have satisfied California CLE requirements in the past 18 years by taking online courses since 1996.
6. California law is the leading law of the United States with the highest standard for bar exam in the US and I passed the California Bar Exam to be an attorney of California.
7. I passed Wisconsin Bar Exam and swore in in front of Wisconsin Supreme Court in September 1989 and had never been required to take CLE by your board as being an **out-of-state attorney** in the 20 years from 1989 through 2009. **I will maintain practicing out of state** but Wisconsin bar

license is of value to me because I earned it by taking the bar exam in July 1989 and I may use this bar license to apply for admission to other states. If there were no interruption of payments of dues from 2009, I would not have to take the 60 hours CLE courses in person as required by Wisconsin Board of Bar Examiners as I was never required to report CLE in Wisconsin during the 20 years from 1989 to 2009.

8. CLE Regulations created unreasonable burden to me that constitutes “injustice” in SCR 31.12(2) for the following reasons:
- (a) According to SCR 31.40, “a lawyer whose practice is principally in another jurisdiction that has mandatory CLE requirements and who is current in meeting those requirements is exempt from the attendance requirement of SCR 31.02.”
 - (b) All MCLE courses of California that I purchased and paid in bundle were not acknowledged by the Wisconsin Board of Bar Examiners. Wisconsin’s CLE requirements are different from California State’s requirement without any justification. Wisconsin Bar’s denial accepting the qualification of California attorney by persisting on its financially burdensome CLE requirements constitutes an unreasonable regulation as such persistence does not serve any public policy of the CLE reporting regulation.
 - (c) The 60 CLE hours appearing in person in class will cost at least \$5000, grossly disproportionate to the fees for taking a bar exam of Wisconsin.
 - (d) Such 60 CLE hours’ regulation is extremely burdensome to me as I have extra high myopia of about -20 for each eye that such requirement will cause substantial burden to my vision health, while many States require only to pay a fee to re-instate with proof of good moral character.
 - (e) The 60 CLE hours appearing in-person in-class created unreasonable burden to me as I have been in class of LL.M. program of one of the top 20 law school in the U.S. for a year that I cannot afford the time and extra

money for reinstatement. Every State in the U.S. have on-line courses. In Wisconsin, it is called on-demand courses. There is **no justification** to deny acknowledgement of such courses in the reinstatement petition as Wisconsin Bar has accepted such credits toward CLE for active attorneys. There is no reason for the Bar's discriminatory practice in disallowing on-line CLE hours to be accepted toward the 60 CLE hours when an attorney asked for reinstatement.

- (f) There is no policy reason for the Bar's discriminatory practice in denying reinstatement of an out-of-state attorney who is in active practice in good standing in another state by placing extra burden of 60 CLE hours.
- (g) I will continue being out of the State in Wisconsin in good standing practice as a California attorney. I neglected to pay the bar dues due to family tragedy out of divorce. I did not have the intention to knowingly not paying bar dues, but **I will be treated differently from all Wisconsin attorneys practicing in California in that they do not have to make any CLE reports Wisconsin but I would have to take 60 CLE hours in the expensive way to satisfy Wisconsin's special CLE requirement**, which excluded the convenient CLE online courses acknowledged by California and many other states. As mentioned above, I will be treated differently from Wisconsin attorneys who are active by the peculiar CLE requirement. I will be also treated differently from all out-of-state Wisconsin attorneys whose practice is primarily in out of state. This secular regulation caused me to suffer discriminatory treatment that, as applied to me, may violate the equal protection clause and due process in the Fifth Amendment, and became unreasonable violation of my property under the Fourteenth Amendment of the US Constitution.
- (h) It is not very reasonable to reject my good standing active attorney status in California simply because of the peculiar 60 CLE requirements. The underlying policy of 60 CLE hours was to deter incompetent attorney's

practice. However, I have intensive litigation practice in the past 18 years in good standing in the State of California with good reputation, and am a top student at the LLM program at Washington University in St. Lewis that this policy should not be a concern for my case.

WHEREFOR, I respectfully request waiver of the CLE 60 hours requirement stated in CLE 1.02 and CLE3.015, pursuant to CLE 11.04, SCR 31.04, SCR 31.12(2) and the Fifth and Fourteenth Amendment of US Constitution.

I swear under the penalty of perjury under the laws of the State of Wisconsin that the foregoing is true and accurate, including the fact that I will remain practicing outside of the State of Wisconsin.

Sincerely yours,
/s/ electronically signed—Yi Tai Shao

Re: Linda Shao

Dear Ms. Anderson:

I am an attorney in San Jose, California. I have practiced civil litigation in this area since 1976. I direct this letter to your attention in support of Linda Shao's pending petition for reinstatement of her license to practice law in Wisconsin.

I have been professionally acquainted with Linda Shao for at least fifteen years. I have observed her work product on several occasions, including one case in which I assumed representation of a client Ms. Shao previously represented in the same case. I determined that her work on the case was appropriate, thorough and effective. Ms. Shao is unfailingly aggressive and resourceful on her clients' behalf. She is also ethical and knows how to be both an effective advocate as well as an officer of the court.

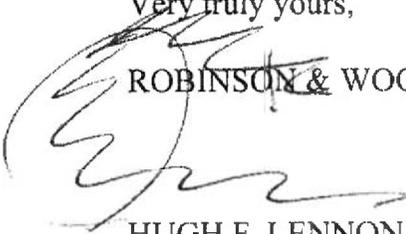

Linda Shao is also a strong and forceful advocate for the Chinese-American community in San Jose, particularly in the highly specialized area of immigration law. In this capacity, she represents the marginalized members of society who otherwise would be without legal representation.

Based on the above, I have no hesitation in recommending Linda Shao as a worthy candidate for re-admission to the practice of law in the State of Wisconsin and as an effective, ethical legal representative of all clients within her fields of practice.

You are hereby notified that the Court has entered the following order:

In the Petition for Reinstatement of Attorney Linda Yi Tai Shao

By order dated March 7, 2016, this court held Attorney Linda Yi Tai Shao's motion to waive the continuing legal education (CLE) and ethics and professional responsibility (EPR) make-up requirements for her petition for the reinstatement of her license to practice law in Wisconsin in abeyance for a period not to exceed 90 days. The March 7, 2016 order directed Attorney Linda Yi Tai Shao, during the period of the stay, to communicate with the Board of Bar Examiners (BBE) and submit to the BBE approval requests in the form requested by the BBE for the use of the courses she has completed at the Washington University School of Law toward her CLE and EPR make-up requirements.

By order dated September 13, 2016, this court extended the stay of her motion until September 30, 2016, so that she could submit the necessary materials to the BBE for its consideration of her law school course work toward her CLE and EPR make-up requirements.

Page 2

November 14, 2016

In the Petition for Reinstatement of Attorney Linda Yi Tai Shao

The court also directed the parties to submit written progress reports regarding the status of the completion of the make-up requirements.

On September 30, 2016, Attorney Shao reported that she had submitted materials for two of her law school courses, but that due to illness and other responsibilities, she had not been able to complete the process of submitting her law school course materials to the BBE by September 30, 2016. She moved the court for an extension of the stay until December 30, 2016, so that she could complete the CLE/EPR make-up process.

On September 30, 2016, the BBE also filed a written status report. It reported that it had awarded 46.0 CLE credit hours and 17.5 EPR credit hours for the two courses for which Attorney Shao had submitted the required supporting materials. It further stated that Attorney Shao needed to submit approved course materials for another 14.0 approved CLE credit hours to be in compliance with her CLE and EPR make-up requirements. Accordingly,

IT IS ORDERED that the motion for a further extension of the stay imposed by the court's March 7, 2016 order is granted. The stay is extended until December 30, 2016. Attorney Shao should submit the necessary course materials and forms required by the BBE for the additional required 14.0 CLE credit hours by that date.

IT IS FURTHER ORDERED that on or before December 30, 2016, Attorney Linda Yi Tai Shao and the Board of Bar Examiners shall file written reports advising the court of the status of this matter.

IT IS FURTHER ORDERED that Attorney Linda Yi Tai Shao advise the State Bar of Wisconsin and the clerk of this court of any changes to the address currently on file with the State Bar of Wisconsin. See SCR 10.03(2).

Dear Officer

I registered for e-Court and erroneously clicked on "waiver" but should be "exempt" yet the website did not allow me to go back to make the change. I am exempt from CLE reporting SCR31.04 as I have been outside of Wisconsin and did not do any work within Wisconsin. Sorry for the typo but unable to make correction.

I received a notice of non-compliance as a surprise as I did check on exemption when I paid the bar due.

Atty. Shao,

All Wisconsin licensed attorneys who maintain an active membership status with the State Bar of Wisconsin is required to comply with the CLE reporting requirements with the Supreme Court of Wisconsin, Board of Bar Examiners. Please refer to SCR 31.03. If the attorney did not engage in any activity constituting the practice of law in Wisconsin for the complete 2018-2019 (January 1, 2018 – December 31, 2019) reporting period, they may elect the Exemption from the Attendance requirement pursuant to SCR 31.04 (2). They are still required to comply with the reporting requirements pursuant to SCR 31.03.

Because, you failed to comply with your 2018-2019 Wisconsin mandatory continuing legal education reporting requirements, you were therefore suspended as of June 16, 2020.

As noted within the Notice of Suspension, you will be required to file a petition for reinstatement. If the attorney did not engage in any activity constituting the practice of law in Wisconsin for the complete 2018-2019 (January 1, 2018 – December 31, 2019) reporting period, they may elect the Exemption from the Attendance requirement pursuant to SCR 31.04 (2) within your petition for reinstatement, in lieu of reporting 30.0 CLE and 3.0 EPR credit hours; your reinstatement fee is \$200.00, you will be required to address what practice (in Wisconsin) if any you had during the period of eligibility, you need to sign your petition and have it notarized. Your petition for reinstatement must be mailed to the Board of Bar Examiners.

Hope you find this information helpful.

Mail - Yi Tai SHAO - Outlook

Dear Ms. Jacquelynn Rothstein

I just received your mail of Notice of Suspension. This must be a mistake as I am out of state attorney practicing laws in California that for years I have been waived from the local MCLE requirement.

Please make correction. Further such surprising suspension without any hearing nor any prior notice is for sure in violation of Due Process. Please respond to this email at your earliest convenience.

FROM: Jacquelynn B. Rothstein, Director

SUBJECT: Instructions for Establishing Compliance

Lawyers who were suspended and therefore became ineligible to practice law in Wisconsin by reason of noncompliance with the 2018-2019 mandatory continuing legal education requirement must submit the following materials in accordance with SCR 31.11 (1) to the Board of Bar Examiners for review. The Board will then determine whether compliance has been established.

1. **A notarized petition under oath.** The petition must indicate in detail the manner in which the lawyer has complied with all requirements under SCR Chapter 31 and must specifically indicate whether the lawyer has practiced law in Wisconsin during the period of ineligibility. We recommend that lawyers defer submitting their petitions until all coursework needed for reinstatement has been attended, approved, and verified. A sample petition is enclosed.
2. **Payment to the Board of Bar Examiners** in the following amount:
 - a. \$200.00 if the \$100.00 late fee has not yet been paid.
 - b. \$100.00 if the \$100.00 late fee has already been paid.

Payment by credit card is also available through our ePayment program on the Wisconsin Court website at <https://www.wicourts.gov/services/attorney/edu.htm>.

3. **Written verification of attendance** at all courses. One attendance verification form is enclosed. It may be duplicated for distribution to course sponsors.

Lawyers remain suspended and ineligible to practice law in Wisconsin until the Board of Bar Examiners makes a determination that they are in full compliance. The Board will send written notice to those lawyers who regain compliance.

Dear Atty. Shao:

To remedy your suspension for noncompliance with the continuing legal education requirements (CLE) that took effect on June 16, 2020, it will be necessary for you to file a petition for reinstatement with the BBE. If you did not engage in any activity constituting the practice of law in Wisconsin for the complete 2018-2019 (January 1, 2018 – December 31, 2019) reporting period, you may elect the Exemption from the Attendance Requirement pursuant to SCR 31.04 (2) and include that information within the petition rather than reporting CLE coursework. Within the petition, you will also need to address whether you practiced law in Wisconsin during the period of ineligibility, an example of which may be found in Paragraph #5 of the sample petition. All petitions are required to be signed and notarized. Additionally, a reinstatement fee of \$200.00 is required. Payment by credit card is available through our ePayment program on the Wisconsin Court website at <https://www.wicourts.gov/services/attorney/edu.htm>. Alternatively, you may mail the payment with your petition. Checks must be made payable to the Board of Bar Examiners. Petitions must be mailed to the Board of Bar Examiners, P.O. Box 2748, Madison, WI 53701-2748. Upon receipt of the required items and the processing of the petition, you will be notified of your reinstatement. I hope the foregoing information is useful to you in expediting your reinstatement.

Dear Tammy

This is to confirm that it is undisputed that the mailing addresses for the notes from the BBE were wrong in that the suite number was not shown on the Wisconsin Bar Association 's website. Yet you still require suspension to be in place unless a Petition of Restitution is done.

This is to request a stipulation that I may serve the BBE my motion to vacate suspension based on violation of Due Process in the 14th Amendment of the Constitution via email. If you prefer by fax, would you please advise the fax number. Thanks

Atty. Shao,

Per the attached documents page 1 – (August 7, 2020, screen shot of the State Bar of Wisconsin's website) and page 2 – (August 7, 2020, screen shot of your mailing address with the Board of Bar Examiners). Both address do not have your suite # listed. Because the State Bar of Wisconsin maintains all attorneys mailing addresses, I have cc'd the Customer Service Department at the State Bar of Wisconsin on this email – asking them (on your behalf) to update your preferred mailing address by adding "Suite 100" to your preferred mailing address.

With regards to your current CLE suspension, as noted in Director Rothstein's August 10, 2020, email (noted below) Director Rothstein provides you with what is required of you to reinstate your Wisconsin law license.

Hope you find this information helpful.

Dear Director of the Board of Bar Examiner

Attached please find the email from Regus, my virtual office landlord located at 4900 Hopyard Road, Ste. 100; Pleasanton, CA 94588 to verify that the certified mail of Notice of Non-compliance did not reach Ste. 100. Your address was incorrect. When there is no notice, I cannot be suspended by bar license.

4900 Hopyard Road is a large building like a small mall. Since you did not put down the suite number, neither did you email me which you could easily do, my bar license should not be suspended.

You are welcome to call the Community Manager to verify whether the email was sent by her and whether it is true that "Cindy Lorenzo" shown on the receipt is not working there.

Please respond if you **insisted** on suspend my bar license **without** complying with Constitutional due process after I give you this evidence. Thank you.

Dear Atty. Shao:

To remedy your suspension for noncompliance with the continuing legal education requirements (CLE) that took effect on June 16, 2020, it will be necessary for you to file a petition for reinstatement with the BBE. If you did not engage in any activity constituting the practice of law in Wisconsin for the complete 2018-2019 (January 1, 2018 – December 31, 2019) reporting period, you may elect the Exemption from the Attendance Requirement pursuant to SCR 31.04 (2) and include that information within the petition rather than reporting CLE coursework. Within the petition, you will also need to address whether you practiced law in Wisconsin during the period of ineligibility, an example of which may be found in Paragraph #5 of the sample petition. All petitions are required to be signed and notarized. Additionally, a reinstatement fee of \$200.00 is required. Payment by credit card is available through our ePayment program on the Wisconsin Court website at <https://www.wicourts.gov/services/attorney/edu.htm>. Alternatively, you may mail the payment with your petition. Checks must be made payable to the Board of Bar Examiners. Petitions must be mailed to the Board of Bar Examiners, P.O. Box 2748, Madison, WI 53701-2748. Upon receipt of the required items and the processing of the petition, you will be notified of your reinstatement. I hope the foregoing information is useful to you in expediting your reinstatement.

Notification of profile inconsistency

My profile of attorney shows complete address. Yet the address presented outside of my profile does not show my suite number. When you send in mail without the suite number, it is up to the mailman to guess which suite it could be allocated.

I cannot afford any gap or any record of suspensions as I had tried my best to avoid any problem. So, on my side, I did not receive a notice then was suspended. This violates Constitutional due process.

Moreover all my emails with you and my prior filings show the suite number. Please reconsider my position and consider what you would feel if you were me. Thanks

You are not claiming a "waiv... You are claiming an "Exemption from the... ndance requirement" pursuant to SCR 31.04 (2). I do not have a "fill-in-the-blank" petition for you. You will be required to create your own petition for reinstatement. I have however, attached a sample petition to give you guidelines.
