CLERK OF WISCONSIN
SUPREME COURT

Supreme Court of Wisconsin

No. 2026XX278-CR

STATE V. JACOBS

L.C. #1988CM100767

February 12, 2026

The Court, by its Clerk and Commissioners, has entered the following order:

Chris Jacobs, pro se, has filed: (1) a petition for review; and (2) several accompanying motions, including a motion for enlargement of the 35-page limit for a handwritten petition for review. *See* WIS. STAT. § 809.62(4).

IT IS ORDERED that the petition for review is dismissed. A party may only seek review of an adverse court of appeals' decision, and must file the petition for review within 30 days of the date of that decision or within 30 days of the date the court of appeals determines a timely filed motion for reconsideration. *See* WIS. STAT. §§ 808.10, 809.62(1m). Although Mr. Jacobs has previously litigated in the court of appeals, there is no court of appeals decision that may serve as the basis of his petition for review under these criteria. As such, the petition must be dismissed.

IT IS FURTHER ORDERED that the motions accompanying the petition for review are dismissed as moot.

Samuel A. Christensen
Clerk of Supreme Court
