Supreme Court of Wisconsin

NO. 2024AP2176-CR **STATE V. GRAF** **L.C. #2017CF4**

June 9, 2026

The Court, by its Commissioners, has entered the following order:

On June 4, 2026, defendant-appellant-petitioner, David Ray Graf, through counsel, filed a petition for review regarding a May 5, 2026 decision of the court of appeals. Also on June 4, 2026, Mr. Graf, through counsel, filed a "Motion to Remand and Supplement the Record." The motion asks the court to hold the petition for review in abeyance and remand the case to the circuit court so that counsel may supplement the record with materials that counsel now realizes are relevant to the issues on appeal, and so that the circuit court may conduct "whatever fact-finding [it] deems appropriate." The motion suggests that the absence of such relief "would potentially open the possibility of a subsequent ineffective assistance of appellate counsel claim."

IT IS ORDERED the motion is denied, *ex parte*. The relief requested is not in aid of this court's jurisdiction, which at this point is confined to the question of whether to grant review of the court of appeals' May 5, 2026 decision. *See* WIS. STAT. §§ 808.10, 809.62.
