SUPREME COURT

Supreme Court of Wisconsin

2025AP152-CRNM **STATE V. HOWELL** **L.C. #2019CF888**

July 8, 2026

The Court, by its Commissioners, has entered the following order:

On June 16, 2026, this court issued an order denying the petition for review filed in this case by defendant-appellant-petitioner, William Howell, pro se. On July 3, 2026, this court received a letter, dated June 28, 2026, from Howell requesting an explanation for the denial of his petition for review. The court construes the letter as a motion for reconsideration of its June 16 order denying the petition for review and notes that there is no statutory authority permitting a motion for reconsideration of an order denying a petition for review, *Archdiocese of Milwaukee v. City of Milwaukee*, 91 Wis. 2d 625, 284 N.W.2d 29 (1979). The court further notes that it has no obligation to provide reasoning for its decision to decline a request for discretionary review. Therefore,

IT IS ORDERED that the motion is dismissed. No costs.
