Supreme Court of Wisconsin

NO. 2024AP778 **COLLINS V. BOUGHTON** **L.C.#2024IP1**

July 14, 2026

The Court, by its Commissioners, has entered the following order:

Petitioner-appellant, Raymond Collins, filed a number of documents bearing this appeal number that referenced this court. One document was filed on November 25, 2025, and was entitled "Notice of Appeal Rule 18, 29, and 39, from a U.S. District Court." A second document was filed on January 16, 2026, which was entitled "A Motion and a Notice of Appeal, Rule 18, 29, from a United States District Court, Rule 39."

On January 29, 2026, the court of appeals issued a final decision affirming the Grant County circuit court's orders that denied a writ petition and a motion for reconsideration.

On April 6, 2026, petitioner-appellant filed a document entitled "A Motion and Notice of Appeal, Rule 13, 29, from a United States District IV Court of Appeals, Rule 39[;] Summary Disposition Orders as Precedent Authority Pursuant to Wis. Stat. Rule 809.23(3)." Petitioner-appellant also filed a number of exhibits in support of this document.

The court will take no action regarding these filings. A litigant on appeal may file a petition for review from a final decision of the court of appeals within 30 days of the date of the court of appeals' decision. WIS. STAT. § 808.10. Petitioner-appellant's filings on November 25, 2025, and January 16, 2026, cannot be a petition for review because the court of appeals had not yet issued its final decision in this appeal. Petitioner-appellant's April 6, 2026 filing also cannot be construed as a timely petition for review because it was filed substantially beyond the 30-day time period for filing a petition for review, which ended on March 2, 2026 (the first business day after the 30th day). Accordingly,

COLLINS V. BOUGHTON
NO. 2024AP778

IT IS ORDERED that the court will take no action regarding the filings submitted by petitioner-appellant.
