CLERK OF WISCONSIN
SUPREME COURT

No. 2026XX333-CR

STATE V. EALY

L.C. #2013CF5263

August 18, 2026

The Court has entered the following order:

On April 21, 2026, pro se petitioner, Lamonte Alton Ealy, filed numerous documents. In his filings Ealy appears to petition for review of both the court of appeals' March 26, 2026 order in No. 2026XX333-CR and its November 30, 2021 opinion and order in consolidated Case Nos. 2020AP1443, 2020AP1444, and 2020AP1445. In an April 23, 2026 order, this court construed Ealy's various filings as a petition for review of the court of appeals' March 26, 2026 order in Case No. 2026XX333-CR. The court having considered the petition for review and the supporting documents;

IT IS ORDERED that to the extent the petition for review seeks review of the court of appeals' March 26, 2026 order in No. 2026XX333-CR, the petition is denied, without costs; and

IT IS FURTHER ORDERED that to the extent the petition for review seeks review of the court of appeals' consolidated November 30, 2021 opinion and order in Nos. 2020AP1443, 2020AP1444 and 2020AP1445, the petition is dismissed. Mr. Ealy previously petitioned for review of that opinion and order, which was denied. Moreover, Mr. Ealy's current filings are long past the 30-day deadline for filing a petition for review of a November 30, 2021 opinion and order. WIS. STAT. § 808.10.

JANET C. PROTASIEWICZ, J., did not participate.

Samuel A. Christensen
