You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2016XX1138-W James v. Eckstein L.C.#1992CF924283

The court having construed the motion of petitioner, Karl Julius James, to be a motion for an order directing the warden of the Green Bay Correctional Institution to grant him a legal loan or for access to funds in his release prison trust account to pay for copies and postage related to the preparation of an anticipated petition for review of the court of appeals' order of August 12, 2016;

IT IS ORDERED that the motion is denied in part and granted in part. The motion is denied to the extent it seeks an order directing the Green Bay Correctional Institution to grant a legal loan to petitioner. The motion is granted to the extent that the Green Bay Correctional Institution (or the institution currently having custody of petitioner) shall provide access to funds to which petitioner is otherwise entitled, including his regular trust account and his release trust account as necessary, in order to pay the copying and postage expenses necessary for petitioner's

petition for review in this matter. This order is confined to only the expenses of preparing and filing the petition for review in this action in this court. The court further reminds petitioner that when he files his petition for review, in order to seek the waiver of the prepayment of the filing fee, he must submit a fully completed Petition for Waiver of Fees/Costs – Affidavit of Indigency, a fully completed Authorization to Withhold Money from Trust Fund Accounts, and a certified copy of a six-month prisoner trust account statement. Copies of the first two of these documents are enclosed with the petitioner's copy of this order.
