Supreme Court of Wisconsin

NO. 2026AP1887-OA **HILSON V. CUDAHY RESTORATION FOUNDATION LLC**

October 20, 2026

The Court, by its Commissioners, has entered the following order:

On October 16, 2026, this court received a motion for reconsideration and/or clarification of its October 14, 2026 decision denying the petition for leave to commence an original action in the above matter, filed on behalf of petitioner, Desiray Hilson, pro se.

Also on October 16, 2026, petitioner attempted to file a copy of a complaint addressed to the Wisconsin Judicial Commission, which filing was rejected by the clerk of this court. On October 19, 2026, petitioner filed a motion asking leave to file a clarification as to the reason for her attempt to file a copy of her complaint to the Judicial Commission. The motion expressly states that petitioner is not seeking to resubmit the complaint to the Judicial Commission to this court.

The court having considered the motions,

IT IS ORDERED that the motion requesting leave to file a clarification of the reason for attempting to file a copy of the complaint to the Judicial Commission is granted and the clarification document has been accepted for filing; and

IT IS FURTHER ORDERED that the motion for reconsideration is denied.
