You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2019AP1252   State v. Norwood L.C. #2015CF3397

The court having considered the letters of defendant-appellant, James Earl Norwood, as a motion for reconsideration of this court's February 24, 2021 order dismissing his petition for review as untimely;

IT IS ORDERED that the motion is denied. The court of appeals denied the defendant-appellant's motion for reconsideration by order dated December 21, 2020. When a motion for reconsideration is timely filed in the court of appeals, the 30-day period in which to file a petition for review in the supreme court starts on the date the court of appeals determines by the motion for reconsideration by filing an order denying the motion. Wis. Stat. § 808.10(2). Accordingly, the defendant-appellant's petition for review had to be filed with the clerk of this court (or placed into the prison mail system) no later than January 20, 2021. The petition for review, however, was

not signed until February 15, 2021, and was not received by the clerk of this court until February 22, 2021. Consequently, the petition for review was untimely and was therefore dismissed.
