Re: State of Wisconsin v John L. Jacques  
Case No. 2020AP920 CR  
District 4

Dear Ms. Reiff,

Enclosed are nine copies which includes the original of a Petition to Bypass. The prison librarian did not do a good job of copying. If the copies are not acceptable, could you please have nine new copies made from the original, and send me a notice of the cost for doing that and I would then send an institution check?

Thank you.

Sincerely,

*John Jacques*

P.S.: The original is notable by the attached page being the folded "Notice of Submission" from the Court of Appeals.
