**MOTION FOR ENLARGEMENT OF TIME TO FILE
RESPONSE BRIEF**

Intervenors-Respondents Driftless Area Land
Conservancy and Wisconsin Wildlife Federation, by
counsel, respectfully move this Court pursuant to Rule

809.82, WIS. STAT., for an order enlarging the time for filing of their response brief by 7 days. This is Intervenor-Respondents first request for such an extension, and it would result in their response brief being filed on November 24, 2021.

As grounds for their request, Intervenor-Respondents state as follows:

1. Intervenor-Respondents presented a complete response brief to the Clerk of the Supreme Court for filing in the above-captioned matter on November 17, 2021. Intervenor-Respondents were subsequently informed that the Clerk would be unable to accept the brief for filing until it bears the signatures of counsel for the additional parties (or the signatures of pro se parties) who have signed onto the brief (that is, County of Dane, County of Iowa, Village of Montfort, Town of Wyoming, S.O.U.L. of Wisconsin, Gloria Belken, and Chris Klopp).

2. Undersigned counsel received prior authorization from the additional parties and their counsel to indicate that they wish to sign onto the response brief authored

by counsel for Intervenors-Respondents Driftless Area Land Conservancy and Wisconsin Wildlife Federation, but are unable to collect the physical signatures from those parties and counsel prior to the November 17, 2021 deadline for filing the response brief.

3. An enlargement of time by 7 days will permit undersigned counsel sufficient time to obtain the physical signatures necessary to file the completed response brief in this case.

For these reasons, Intervenors-Respondents respectfully request that the Court permit the filing of their response brief on November 24, 2021.

Dated this 17th day of November, 2021.

Respectfully submitted,
