Re: *State of Wisconsin v. C.G.*  
**Supreme Court Case No. 2018AP002205**

Dear Ms. Reiff:

I represent C.G. in the above-referenced case. Oral argument is scheduled in this case for this morning. However, I have developed upper respiratory symptoms and feel I cannot effectively argue today. I have gotten a COVID test, but I have not yet received the results.

I respectfully request that oral argument be rescheduled. I have spoken with opposing counsel, Attorney Abigail Potts, and she does not oppose rescheduling. I have also been in contact with the Chief Justice's chambers about this issue, and Chief Justice Ziegler has approved rescheduling.

Thank you for your time and attention to this matter. I greatly appreciate the understanding of the parties and the Court.

Sincerely,
