Re: State of Wisconsin v. Branden R. Theroux

Appeal No. 2020AP924

L.C. No. 2015CF837 (Eau Claire County)

Dear Ms. Reiff:

I am writing to request an extension of the statutory 30 days to file my Petition for Review. AS GROUNDS, I state as follows:

1: Oshkosh Correctional Institution is currently on modified lockdown due to COVID. Under this lockdown, access to the law library is limited to approximately five (5) 45- minute periods a week. An inmate may obtain additional law library time with a verified court deadline within 30 days. However, court deadlines established by statute are not recognized; only deadlines established by court order.

2: My prison job consists of working full time as a Lead in the prison's Main Kitchen. This job affects the number of periods I am able to attend the law library in any given week.

3: The library has drastically reduced the number of hours available. They no longer offer evening or weekend hours.

4: An extension is necessary to account for the aforementioned facts to allow me sufficient time to research my legal arguments to this Court, to draft my petition, and to print and mail that petition to this Court.

Based on the foregoing, I respectfully request that this Court grant me a 90 day extension in which to file my Petition for Review.

Thank you for your attention in this matter.

Respectfully submitted,
