You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2019XX819 Bach v. Life Navigators, Inc. L.C.#2006GN501

On May 25, 2022, petitioner, Margaret Bach, pro se, filed a motion to "submit fewer copies of petition due to indigency." This is a one-page, undated document captioned Federal National Mortgage Association and JP Morgan Chase v. Bach, and the caption identifies the following case numbers: 2006GN501 and 2019XX819.

There is a discrepancy between the case numbers and the caption such that the request for relief cannot be properly evaluated.

The case caption for 2019XX819 (L.C.#2006GN501) is Bach v. Life Navigators. An order denying Ms. Bach's August 27, 2019 petition for review and motion for waiver of filing the required number of copies was issued in that matter on October 15, 2019. That matter is not pending before this court.

The appellate case number for Federal National Mortgage Association and JP Morgan Chase v. Bach, is 2019AP631 (L.C. # 2018CV3702). A review of the Wisconsin Supreme Court and Court of Appeals Case Access website indicates the court of appeals issued a decision in that matter on April 26, 2022, affirming the judgment issued in the underlying foreclosure action. It appears that Ms. Bach filed a pro se petition for review on May 25, 2022. The motion filed on May 25, 2022 that is the subject of this order may relate 2019AP631, but if so, the case number must be corrected before the court can consider the request.

In addition, CCAP records indicate that on April 11, 2022, Ms. Bach attempted to file a Notice of Appeal in Bach v. Life Navigators, 2022CV42, pertaining to a judgment or order entered March 29, 2022, which the court of appeals dismissed by order dated April 26, 2022 on the grounds that Ms. Bach had failed to demonstrate that she had satisfied the terms of the filing ban previously imposed by the court of appeals. Life Navigators, Inc. v. Bach, 2022XX423 (Apr. 26, 2022). Ms. Bach moved for reconsideration of that order on May 10, 2022. By order issued June 2, 2022, the court of appeals granted her motion, agreeing that the underlying order stated that Ms. Bach was not barred from filing documents related to any action commenced against her. That appeal is now pending in the court of appeals, and appears unrelated to the pending motion that is the subject of this order.

IT IS ORDERED that the motion is dismissed without prejudice due to the inaccurate caption and/or case number.

Sheila T. Reiff
Clerk of Supreme Court
