You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2021AP500

Bierman v. Levenhagen L.C.#2008FA1549

The court of appeals issued its decision in this matter on April 26, 2022. This court is informed that the parties did not receive notice of the decision until remittitur occurred on June 1, 2022. Because of the error in disseminating the decision to the parties, the pro se petition for review filed June 28, 2022 by petitioner-appellant, Sophia Bierman, was untimely. Ms. Bierman has filed a document entitled "Motion for request to give permission to Supreme Court to file the Petition for Review and Appendix and other documents attached." This court construes the motion as a Petition for Supervisory Writ requesting that the court accept the petition for review as timely filed.

IT IS ORDERED that the petition for supervisory writ is granted; and

IT IS FURTHER ORDERED that the June 1, 2022 order of remittitur is vacated. The clerk of the circuit court shall transmit the record of 2008FA1549 to the clerk of the court of appeals within ten days of the date of this order; and
