You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2022AP761-CR      State v. Johnson, L.C. #1993CF934598

The court construes the document filed by defendant-appellant, Salaam Johnson, pro se, on September 6, 2022 to be a motion to reconsider the court's August 16, 2022, order dismissing the defendant-appellant's petition for review as untimely. The court notes that because the defendant-appellant's July 25, 2022 motion for reconsideration in the court of appeals was not filed within 20 days of the original June 28, 2022 final decision in that court, the deadline for filing the petition for review in the supreme court was not tolled under Wis. Stat. § 808.10(2). Consequently, the deadline for filing a petition for review in the supreme court expired on July 28, 2022, which was 30 days after the date of the court of appeals' final decision of June 28, 2022. Accordingly;

IT IS ORDERED the motion is denied.
