Madaleine R. Mulrey

You are hereby notified that the court, by its Clerk and Commissioners, has entered the following order:

No. 2020AP1651-D

Office of Lawyer Regulation v. Madaleine R. Mulrey

On June 16, 2022, respondent-appellant, Madaleine R. Mulrey, filed a notice of appeal of a referee's report and recommendation. This court granted three motions for an extension of time for Attorney Mulrey to file her opening brief. On October 18, 2022, Attorney Gary Grass filed a motion to (1) withdraw as counsel for Attorney Mulrey; (2) have this court appoint new counsel for Attorney Mulrey; and (3) grant Attorney Mulrey an additional 90-day extension of time to file her opening brief. The Office of Lawyer Regulation filed a letter stating that it takes no position on the motions. Attorney Mulrey sent the referee, via email, an objection to the motion to withdraw as counsel, which the referee then filed with the court. On November 2, 2022, the court issued an order directing Attorney Mulrey to file a formal objection to the motion to withdraw as counsel by November 25, 2022. It also directed Attorney Grass to file a response to the formal objection by December 5, 2022. After Attorney Mulrey filed her formal objection and Attorney Grass filed his response, the court granted Attorney Mulrey's motion to file a reply to Attorney Grass's response.

Even though Attorney Grass's motion to withdraw as counsel for Attorney Mulrey and motion for a briefing extension remain pending, on December 28, 2022, the clerk's office issued an order stating that unless the appellant's brief and appendix was served and filed within five days, or an extension was requested, the appeal would be dismissed. Upon receipt of that order, Attorney Grass filed a brief and appendix on behalf of Attorney Mulrey on January 5, 2023. However, in Attorney Mulrey's reply to Attorney Grass's response, she stated, "[I]t is evident that counsel has ruptured the attorney-client relationship and in doing so prejudiced her case, causing

irreparable harm, as well as creating grounds which make it necessary to allow Counsel to withdraw as the attorney of record. . . .” Given the pendency of the motion to withdraw and Attorney Mulrey’s agreement with the motion, it is appropriate to temporarily stay the briefing schedule in this appeal. Accordingly,

IT IS ORDERED that the time for the Office of Lawyer Regulation to file its response brief in this matter shall be stayed pending further order of the court.
