You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2022AP603

Kenosha County v. L.A.T. L.C. #2021ME171

On February 6, 2023, counsel for respondent-appellant-petitioner, L.A.T., filed a timely petition for review of the court of appeals' January 11, 2023 decision. With the petition, counsel filed a motion for leave to file a supplemental petition for review, stating that counsel had just recently been assigned to represent L.A.T., had not yet received the file from previous counsel, and needed additional time to conduct research, review the entire file, and converse with L.A.T. Upon the foregoing,

IT IS ORDERED that the motion for leave to file a supplement petition for review is granted. Respondent-appellant-petitioner's supplemental petition shall be served and filed on or before February 24, 2023. If the supplemental statement is not filed by that time, this court will dispose of this matter based solely on the documents that have been filed.
