You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2021AP1803

Long v. Hayes, L.C.#2021CV93

The court having considered the motion of petitioner-appellant, Peter J. Long, pro se, to reconsider its April 12, 2023 order dismissing the petition for review filed in this case as untimely, and the court noting that in his motion Mr. Long claims that, due to an addressing error, he first received a copy of the court of appeals' February 22, 2023 decision on March 11, 2023;

IT IS ORDERED that the motion is denied. By Mr. Long's own admission, he received the court of appeals' decision almost two weeks before the filing deadline of March 24, 2023. His failure to file a petition for review by the deadline deprives this court of subject matter jurisdiction over the case. See First Wisconsin National Bank of Madison v. Nicholaou, 87 Wis. 2d 360, 364-65, 274 N.W.2d 704 (1979). ("[Section] 808.10 does not provide a time limit which runs from the date of service or receipt of the court of appeals opinion. Rather, the time limit runs from the date of the opinion.")
