Re: **State of Wisconsin v. Kenneth L. Driessen**
Case No. 2010AP1050-CR

Dear Mr. Voelker:

The plaintiff-respondent, State of Wisconsin, is in receipt of defendant-appellant-petitioner's Petition for Review in the above matter. In view of the fact that the case clearly does not warrant review by this Court, respondent waives the right to file a response in opposition unless ordered by the court.

Sincerely,

Christine A. Remington
Assistant Attorney General
