You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

---

No. 2021AP2076

Noziska v. Zimmerman, L.C.#2019PR14

The court having construed the motion filed by appellants-petitioners, Daniel Noziska and William Noziska, as a motion for reconsideration of the September 8, 2023 order dismissing as untimely the petition for review electronically filed on September 8, 2023; and the motion and supporting affidavits alleging that the petition for review was initially submitted on September 7, 2023, but was not accepted due to a technical error with the court's e-filing system; and the court concluding that good cause has been established to grant the motion for reconsideration due to the technical error;

IT IS ORDERED that the motion for reconsideration is granted; the September 8, 2023 order dismissing the petition for review as untimely is vacated, and the petition for review is accepted as timely filed as of September 7, 2023, pursuant to Wis. Stat. § (Rule) 809.801(16)(a)1.; and

IT IS FURTHER ORDERED that respondent, Robert Zimmerman, shall have 14 days from the date of this order to file either a response to the petition for review or a statement that no response will be filed.
