No. 2022AP181-CR      State v. Batterman L.C.# 2018CM752

On December 20, 2023, counsel for defendant-appellant-petitioner, Thomas W. Batterman, filed a motion to supplement his December 19, 2023 petition for review, which seeks review of the court of appeals' November 28, 2023 decision in this matter. The motion requests that the petition be supplemented with the addendum attached to the motion as Exhibit A, and that the addendum should be added at page 9 of the petition. The addendum to be added to the petition addresses an alleged split of authority created by a court of appeals' decision in another case. The revised petition containing the addendum would still remain within the 8,000 word limit required by Wis. Stat. § (Rule) 809.62(4). The court concludes that good cause has been established to file a revised petition for review. Accordingly,

IT IS ORDERED that the motion to supplement the petition for review is granted. However, counsel for Mr. Batterman is requested to file a complete version of the revised petition for review, incorporating the addendum, with the clerk of this court by January 5, 2024.
