You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

---

No. 2022AP148

Doxtator v. Tegels, L.C.#2003CF234

On January 23, 2024, the court of appeals issued a final decision in this matter, dismissing the appeal of Gerald W. Doxtator, pro se, for lack of jurisdiction.

On February 5, 2024, Mr. Doxtator filed a document titled "Motion to Construe," in which he asks this court to construe a supervisory writ petition that he filed in a separate matter as a petition for review in this matter. The court declines this request. The court will, however, construe the motion to be a timely but nonconforming petition for review, for which Mr. Doxtator will be required to provide a supporting statement.

IT IS ORDERED that the February 5, 2024 "Motion to Construe" shall be construed as a timely but nonconforming petition for review. Mr. Doxtator is directed to file a statement in support of the petition, conforming to the requirements of Wis. Stat. § (Rule) 809.62, with the clerk of this court by March 8, 2024. If the statement is not filed by that time this matter may be dismissed.
