You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2015AP1396 State v. Thums, L.C.#2010CF35

A document entitled "All Writ's Act: WSA Const. Art & § 3 Motion for Late Filing of Petition for Review" and bearing Case No. 2015AP1396 having been filed by defendant-appellant, Ronnie L. Thums, and the document having been construed as a motion for an extension of time to file a petition for review of the court of appeals' April 19, 2016 decision in this matter;

IT IS ORDERED that the motion is denied. The 30-day period in which to file a petition for review may not be enlarged. First Wisconsin National Bank of Madison v. Nicholaou, 87 Wis. 2d 360, 274 N.W.2d 704 (1979). Moreover, the motion cannot be construed as a petition for a writ of habeas corpus seeking to permit the late filing of a petition for review under State ex rel. Schmelzer v. Murphy, 201 Wis. 2d 246, 548 N.W.2d 45 (1996). Mr. Thums appeared pro se in this appeal so he cannot allege ineffective assistance of counsel caused the failure to file a petition for review in this matter. Further, in Mr. Thums' direct appeal, No. 2012AP929-CR, his counsel did file a timely petition for review, which was considered and denied by this court.

Samuel A. Christensen
Clerk of Supreme Court
