You are hereby notified that the Court has entered the following order:

No. 2022AP1069 Eagle Cove Camp & Conf. Center v. Oneida Co. Board of Adjustment,
L.C.#2013CV345

The court has before it a petition for review pursuant to Wis. Stat. § 808.10 filed on behalf of plaintiff-appellant-petitioner, Arthur G. Jaros, Jr. Mr. Jaros first filed his petition for review on January 5, 2024. Because this petition lacked a signature from a Wisconsin-licensed attorney, cf. Wis. Stat. § (Rule) 809.85(2)(a), this court allowed Mr. Jaros until March 13, 2024, to file an amended petition for review with all attorney signatures required by rule. See February 28, 2024 Order. Mr. Jaros timely filed an amended petition with the signature of a Wisconsin-licensed attorney, but also with new argumentation, even though he never sought the court's approval to substantively amend his petition. On March 29, 2024, defendant-respondent, the Oneida County Board of Adjustment, filed an objection to the amended petition for review, asking the court to disregard and/or strike any material not included in the original petition for review. Although we disapprove of the Mr. Jaros' conduct in unilaterally amending the substance of his petition for review, we nonetheless consider the merits of the amended petition as filed.

IT IS ORDERED that the petition for review is denied, with \$50.00 costs.
