You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2021AP1992-CRNM State v. Sutton, L.C.#2019CF1

The court having considered the pro se motion filed July 5, 2024 by defendant-appellant, Donsha Deshon Sutton, which asks this court to accept the motion as a timely filed petition for review, requests an extension of time to file the statement in support of the nonconforming petition for review, and requests this court to appoint counsel;

IT IS ORDERED that Mr. Sutton's request that the motion be accepted as a timely filed petition for review is dismissed as moot. Mr. Sutton's May 6, 2024 motion was previously construed to be a timely but nonconforming petition for review. The court has jurisdiction over the matter and there is no reason to construe this new filing as a petition for review; and,

IT IS FURTHER ORDERED that Mr. Sutton's request that he be given an extension of time to file his statement in support of his petition for review is granted. Mr. Sutton's statement in support shall be served on parties and filed with the court on or before November 11, 2024; and,

IT IS FURTHER ORDERED that Mr. Sutton's request for the appointment of counsel is denied. There is no constitutional right to appointed counsel on petitions for review.
