You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2023AP111-CR State v. Loga-Negru, L.C.#2014CF1626

On July 15, 2024, defendant-appellant, Cristian M. Loga-Negru, pro se, filed a document titled "Motion for Adjustment and Confirmation." The motion does not move the court for relief, but rather states that Mr. Negru will comply with the court's July 5, 2024 order and will "either submit the supporting documentation required, or a whole new petition similar in content and structured according to the rules."

Subsequently, on July 19, 2024, Mr. Loga-Negru filed a document titled "Motion for Re-Adjustment and Notice of the Intention to Stay." In this motion, Mr. Loga-Negru asks the court to "re-adjust the content of the petition for review due on August 12, 2024." He says, alternatively, the motion is to "inform this court that a stay and remand to the circuit court is appropriate in case the content of the brief submitted to the Court of Appeals cannot be further addressed." Accordingly,

IT IS ORDERED the motions are dismissed. Mr. Loga-Negru does not ask for any relief that this court can provide. He shall file his statement in support of his petition by August 12, 2024.
