You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2023AP343-CR State v. Holden, L.C.# 2019CF158

On September 11, 2024, this court granted a petition for writ of habeas corpus filed by the State Public Defender on behalf of defendant-appellant, Anthony Ryan Holden. See State ex rel. Holden v. State of Wisconsin, No. 2024AP1201-W. The order allowed the defendant-appellant to file a petition for review from the adverse court of appeals' decision issued on May 14, 2024, in State v. Holden, No. 2023AP343-CR, "no later than 30 days from the date of this order"; i.e., by October 11, 2024. By order of November 20, 2024, this court sua sponte provided a filing extension of 30 days. The court warned that no further extensions would be granted. As of the date of this order, no petition for review has been filed.

IT IS ORDERED that defendant-appellant's authority to file a petition for review in this matter has lapsed. No such petition for review will be accepted for filing.
