Electronic Notice

You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

---

No. 2024AP737-CR      State v. Roth, L.C. #2019CF466

On December 23, 2024, defendant-appellant-petitioner, Jeffrey A. Roth, electronically filed a timely petition for review of the court of appeals' December 11, 2024 decision in this matter. At the time of filing the petition for review, no representative of the Department of Justice was listed as an attorney on this case in the e-filing system, nor has counsel for the defendant-appellant-petitioner indicated that a paper copy of the petition for review was served on the Department of Justice. On the same day the petition was filed, the clerk of this court issued a notice acknowledging the receipt of the petition. However, that acknowledgment did not include the office of the attorney general on its distribution list. Consequently, neither the petition for review nor the acknowledgment of its filing was served on the attorney general, as required by Wis. Stat. § (Rule) 809.802(1) ("Every petition for review of a decision of the court of appeals in a misdemeanor case shall be served on the attorney general."). As the response deadline has passed without the attorney general receiving notice of the filing of the petition, plaintiff-respondent, State of Wisconsin, shall be given an extension of time to file its response to the petition for review. Accordingly,
